LETTER OF INVITATION TO CONFERENCE

Pirogov Russian National Research Medical University is pleased to invite you to participate in **the International Conference "The real way from research and development to medicines"**. The conference will be held on November 1 & 2, 2018 in Moscow, Russia.

Conference venue:

Pirogov Russian National Research Medical University (RNRMU),
1, Ostrovityanova street, Moscow, Russia

About the Conference

We are going to discuss topical problems of development, research, production and use of medicines, biomedical cellular products and medical products with the participation of representatives of regulatory and expert bodies, pharmaceutical manufacturers, contract research organizations, and clinical and preclinical research implementers.

Topics for discussion:

1. Modern trends in the scientific development of medicines, biomedical cellular products and medical products.
2. Adequacy of biomodels to human diseases.
3. Medicines, biomedical cellular products and medical products for personalized medicine.
4. Modern approaches to screening of the molecule-leaders for targeted therapy.
5. Regulatory and legal aspects of preclinical trials.
6. Methods and programs of preclinical trials.
7. Actual issues of conducting and organizing clinical trials.
8. Problems of clinical research in pediatrics.
9. Patient-based technologies in clinical trials.
10. Manufacture of pharmaceutical substances, finished medicines and medical devices.
11. Features of registration of medicines, biomedical cellular products and medical products abroad, in EurAsEC and Russia.
12. Commercialization of scientific development of medicines, biomedical cellular products and medical products.
13. The challenges of the market for medicines, biomedical cellular products and medical products.

Workshops:

- "Vascular problems of clinical medicine - from scientific research to medical practice"
- "Modern approaches in preclinical research"

**Participation in the conference is free of charge, but it is necessary the pre-registration.
Please send an application form on conf-rw@mail.ru until August 27, 2018**

Form of participation:

- presentation of the report (duration up to 15 min.)
- participation in the poster session
- participantion without a report

Languages of the conference: Russian, English

We are pleased to invite companies interested in the presentation of profile equipment, services and consumables. For questions of sponsorship, please contact the organizing committee.

The organizing committee: Department of the organization of preclinical and clinical research RNRMU, tel. +7(495) 434-36-23, e-mail: koroleva_nv@rsmu.ru Koroleva Natalia Vladimirovna
